A WELCOME LETTER FROM JILL NADISON

Executive Director/CEO, REED Foundation for Autism

DEAR FRIENDS,

REED Academy began as the vision of a small group of concerned parents. Now, 15 years later, we celebrate this incredible milestone. REED Academy has grown in ways that have surpassed our dreams, and I would like to thank you for joining us as we commemorate this moment in time. It is a true celebration of our past, present and future.

I would like to extend appreciation and gratitude to our Board of Directors who have embraced our mission: that individuals with autism deserve a lifetime of services. The idea of continuing empowerment, support and inclusion for individuals with autism so that they can thrive well into adulthood has led us to REED Next. This innovative program would not be possible without your generous participation and donations. And now it is time once again to look toward the future: Opening in the fall of 2019 is our first 24/7 residence for adults with autism. Because adults with autism are still our children, and just like the kids they once were, they deserve the best.

I want to give a huge thank you to the entire staff of REED Academy, REED Next and the REED Foundation for Autism. I am so proud of our distinct and collective accomplishments. Together, we can continue to support individuals with autism throughout their lifespan, so that they can learn, live, work and thrive in their communities.

In closing, I am asking you to consider giving to REED this year. Your donations allow us to continually improve and develop programs and services for all individuals with autism. We cannot do this without you.

Warm regards,

A handwritten signature in black ink that reads "Jill Nadison". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
